For ICUs | Operation Theatres | Diagnostic Labs | General Practice

6 Product Categories

2,400+ Hospitals Served

Est. 1987 | Frankfurt

SECTION 1 -- Diagnostic & Monitoring Equipment

CE Certified | 2-Year Warranty

MC-VSP-9000

EUR 4,850

VitalScan Pro 9000

Hospital-grade continuous vital-signs monitoring with 15-inch anti-glare TFT touchscreen. Seamless HL7 EMR integration.

Display:	15" TFT 1024x768
Parameters:	ECG 12-lead, SpO2, NIBP, Temp
Battery:	4 hours backup
Connectivity:	Wi-Fi, Ethernet, USB 3.0
Cert.:	CE, ISO 13485, IEC 60601

EUR 4,850

/ unit

MC-DSE-3X

EUR 1,299

DermoScope Elite 3X

Variable 10-30x magnification with polarized and non-polarized LED illumination. Wi-Fi enabled 48 MP CMOS camera.

Magnification:	10x / 20x / 30x
Illumination:	20 LED, polarized + non-pol
Camera:	48 MP CMOS sensor
Storage:	16 GB + cloud sync
Cert.:	CE, ISO 13485

EUR 1,299

/ unit

MC-ASD-HD

EUR 389

AuraScan Digital Otoscope

Crystal-clear 1080p tympanic membrane visualization. USB-C EMR output. Three speculum sizes included.

Resolution:	1920x1080 HD
Illumination:	Cool white LED 5500K
Speculums:	2.5mm, 4mm, 5mm
Output:	USB-C, 3.5mm AV
Cert.:	CE, ISO 13485

EUR 389

/ unit

MC-GSP-LAB

EUR 245

GlucoseSense Pro

Lab-accurate blood glucose in under 5 seconds. Hematocrit correction, 1000-reading memory, Bluetooth 5.0.

Range:	1.1-33.3 mmol/L
Sample:	0.5 microlitre
Time:	< 5 seconds
Memory:	1000 readings + timestamp
Cert.:	CE, ISO 13485

EUR 245

/ unit

All products include 2-year warranty | Free calibration first year | ServicePlus from EUR 299/yr

SECTION 2 -- Surgical Instruments & Sets

316L SS | Autoclave Compatible | ISO 17664

MC-SS-PRO42

EUR 1,870 / set

SurgSet Pro 42-Piece

316L stainless steel, mirror-polished. Laser-etched ID codes per ISO 17664. Autoclave-compatible up to 134 C.

Material:

Autoclave:

Pieces:

Tray:

316L Stainless Steel

134 C / 3 bar

42 instruments

Perforated SS with lid

EUR 1,870 / set

MC-LT-5MM

EUR 3,250 / set

LaparoTroc 5mm Trocar Set

Radially dilating tip reduces port-site trauma. Valveless cannula minimizes gas leakage during pneumoperitoneum.

Sizes:

Tip:

Valve:

Sterilize:

5 mm / 10 mm / 12 mm

Radially dilating

Valveless cannula

EtO / Autoclave 134 C

EUR 3,250 / set

Patient Monitor Series -- Feature Comparison

Choose the right monitor for your department
